### ☑ UPCOMING EVENTS, by Mike Dempsey

*(DATES ARE TENTATIVE - CHECK THE WEB PAGE FOR UPDATES)*

This will be a somewhat abbreviated newsletter due to all the work that went into preparing for, and running, an A class meet last week. Much attention and time was diverted, but we hope that we will be able to return to 'normal service' in the near future.

### March 11 – Moss Park

We are looking forward to great weather for our next event at this favorite venue. Bring your friends along and introduce them to Orienteering at a venue that provides both bathrooms and the promise of a great day out.

Hopefully everyone has recovered from their adventures at our big A-Meet and is ready to get back out there in the woods and run around again.

### April 11 – Rock Springs Run State Reserve

Come on out to Sanford for another great day of Orienteering in this nearby wilderness area.

FLO  
CLASS - A MEET  
25/26 February**

## FLO CHAMPIONSHIP EVENT - KELLY PARK,

December 10, 2005, by Ray Bruneau

EC: Ray Bruneau CS: Bob Putnam

The weather for the weekend was forecast for clouds in the morning, then sunny in the afternoon. Well, wouldn't you know that as I drove to Kelly Park, I was bathed in sunshine. I had to use my car visor to keep the bright sun out of my eyes. The early morning temperature was in the BRISK 60's but quickly shot up to the mid-70's by early afternoon.

Bob Putnam came early and quietly made preparations to set the remaining controls that needed to be set. With the new 3-digit numbering, some cards had to be changed to reflect a last minute Uh-O! If this seems confusing - it was.

A treat for the E.C. This day was to have several scouts and parent/leaders from Troop 62 of Winter Park, willing to give up a beautiful, sunny, fall day, in order to work on their merit badges. My intention was for the scouts to shadow the working members at each of the tables in order for them to see how our operation is conducted. Whenever a task came up, and a scout was free, I tried to have them tag along for some first hand experience. I must say that the leaders put in a FULL day for their efforts. I really enjoyed having the troop available; for their interest, assistance, and cooperation.

I had promised all volunteers would have time available to complete a course - since it was the FLO Championship event - and there were only two members who did not take advantage of this: Bob Putnam, whom was under the weather, and myself, for anxiety reasons.

Our appologies to those who had a hard time reaching Kelly Park due to the road being closed for a parade in the center of Apopka. This is the second time that has happened, so we will try in future to avoid holding Kelly Park events on the same day as an Apopka festival. Just in case this happens again we have added directions to the web site which tell you how to get around the road block.

We received lots of good feedback from those who ran the courses, so it seems that a good time was had by all. Mike Dempsey reported that a deer almost ran over the competitor in front of him, while still within the main Kelly Park area. It veered off at the last minute, only to return a few seconds later - much to the suprise of a couple walking the other way.

Despite all the recent rain the area was very dry; no wading through mud and swamps this venue. Sorry Bob!

Congratulations to all the winners, and hopefully everyone else had an enjoyable time in the woods.

In closing, I want to thank the support of members: John Ide, John Meyer, Greg Olson, Russ Steinke for table duties and control setting; and to Chris Rusch, Nikki Wright and Jerry Sirmans for control pickup.

It is the support of our members that makes these events possible. Once again, thanks to the scouts for playing shadow for the day, and to all those who came out to enjoy some fun in Kelly Park.
