ABOUT THIS MAP

This map of Moss Park and Split Oak Forest has been produced with the gracious cooperation of the staff of Moss Park and the Orange County Department of Parks and Recreation.

Adjoining areas are private property. Possession of this map does not confer right of access. Please respect the rights of land owners, in addition, ranger residences are OFF LIMITS, so please respect their privacy.

WHAT IS ORIENTEERING?

Orienteering is a recreational activity and competitive sport for people of all ages. It involves finding your way through unfamiliar terrain with the aid of a detailed topographical map. Using navigational skills and a compass to keep yourself oriented, you are free to select and follow the route you deem to be the best between designated points on a course marked solely by a series of distinctive flags located at each point. Florida Orienteering hosts public events on a monthly basis at one of several Central Florida venues. Everyone is always welcome at FLO events. Participate individually, or hike with group. Instruction for first-timers is always available. No pre-registration required.
